Few residences can summon such a welcoming feel of style, sophistication and ease of family living.

The home boasts four large bedrooms, all with built in robes, and the master bedroom with a large walk in robe and deluxe ensuite.

Designed for the home entertainer it features a formal lounge and a large open plan kitchen/dining area with underfloor heating and reverse cycle air conditioning as well as a lovely covered alfresco area.

Cleaning this fully insulated home has been made simple with the ducted vacuum system throughout.

To complete the package is a double garage with internal access and an auto roller door.

Located in a fantastic south Mudgee location all you have to do is move in and enjoy.
