

GULGONG

3 1 1

On the edge of Gulgong is this beautifully presented brick veneer home which has recently been refurbished.

Comprising three well proportioned bedrooms, all with built in robes, two living areas and very neat kitchen and bathroom areas.

Throughout is new paint and carpet as well as a split system air conditioner and a whole kitchen appliance package consisting of a dishwasher, oven and rangehood still in its original packaging.

Moving outdoors is a spacious and recently turfed lawn with wonderfully landscaped gardens and new fencing which surrounds.

One of the best qualities of this home is that it is just a stroll away to a nearby school, sports ground and pool yet it has an amazing rural outlook with nothing but farmland extending for miles.

Other features include off street parking, carport, gas points and the potential to either invest or move in straight away.
