A fantastic design just short of completion is this huge 263sqm quality home to be constructed by well respected local developers.

There is a well appointed galley style kitchen with Caesar stone benchtops and quality appliances including a dishwasher, gas cook top, electric oven and walk in pantry.

The kitchen adjoins an open plan family and dining area which gives the home a very spacious feel.

The most appealing feature of this home is the amount of living space with a separate formal living room and the family room extending outdoors to an al fresco entertaining area.

This grand family home also includes ducted reverse cycle air conditioning, window furnishings, double lock up garage and before completion will be fully turfed front and back and will be fully fenced.

All this set on a large 921sqm block and at a very affordable price. What a great buy!

Price : $ 429,000
