There are also two bathrooms that have recently been modernised.

Throughout the house there is a mixture of polished wooden floorboards and carpet. High ceilings and fresh paint throughout also feature.

Comprising five bedrooms, the home has reverse cycle air conditioning and a huge wood heater assuring comfort for the family all year round.

Not only does this property offer ample space for the family it also has plenty of space to park the cars and store all your equipment with a double carport and double lock up garage at the rear of the property. There is also rear lane access.
