

MUDGEES

4  2  2 

Completed in late January 2010, this fabulous family home boasts ample accommodation and tremendous living space.

There are four good size bedrooms, three with built ins and the master with walk in robe and ensuite bathroom.

A formal lounge room and dining area are complimented by a generous open plan family room and a large north facing rumpus or second lounge room.

Each bedroom and living area has a ceiling fan and there is reverse cycle air conditioning and insulation to help regulate climate control.

The kitchen is a well appointed and attractive focal point at the centre of the home and in close proximity to the large covered entertaining area.

A double lock up garage provides secure parking and there is a garden shed for further storage.

The yard is fully fenced and turfed and ideal for young
