From the moment you enter the wide entry hall with its welcoming double doors and high vaulted ceiling the home affords a relaxed, luxurious atmosphere.

High reaching ceilings of almost three metres, square set cornicing and an abundance of natural light combine to create a true sense of space in the open plan living and dining areas.

Designed to make entertaining easy, the home boasts a superb gourmet kitchen with Caesar stone island bench and bench tops, smart storage, commercial grade Smeg oven and cook top and stainless steel dishwasher. A bi-fold servery window provides easy access to the outdoor kitchen area.

Entertaining space continues with wide sliding doors opening into the covered al fresco dining area which in itself is a design masterpiece.
