

MUDGEE

3  1  1 

Here's an architecturally designed house in one of Mudgee's prestige south Mudgee streets.

Three bedrooms (two with built ins), lounge room with wood heater and reverse cycle split air conditioning, sunny stainless steel kitchen and meals area and bathroom with bath, vanity and shower.

There's a paved carport and a sunny private paved courtyard. There is also a very private yard with garden shed.

Don't miss this!
