Craftsman built by a renowned local builder the home offers a total of four bedrooms plus an office to accommodate the largest of families.

Each bedroom has built in robes with the enormous master suite having a walk in dressing room/robe and ensuite bathroom.

A formal lounge and separate dining room enjoy a lovely outlook over the gardens and a north facing family room and atrium meals area provide further living space.

High 9ft ceilings, well-proportioned rooms and large windows create a feeling of generous space.

There is underfloor heating to the bathrooms and family room and a back to base alarm system has been installed. Excellent storage is also a feature throughout.
