

MUDGEE

3  1  2 

Set in a lovely position in south Mudgee is this recently refurbished home.

From the moment you walk through the front gate you will be very impressed with the qualities this home offers.

There are three spacious bedrooms all with built in wardrobes and the spacious master bedroom having reverse cycle air conditioning.

The kitchen is of galley style and comprises electrical appliances as well as a dishwasher and an adjacent meals area.

The house has been recently freshened up with a coat of paint throughout, new carpet and floating floorboards.

The best feature of this home is the open plan living space where year round comfort is assured with reverse cycle air conditioning, a fan forced wood heater and a gas point.

The second best feature is the sunroom which could be utilised as a home office, kids' room or additional living
