

MUDGEES

2 1

Located in the village of Hargraves this property is a great weekender where you can get away and enjoy the peace and quiet.

The allotment is situated next to Crown Land with a pleasant rural aspect. The property also has frontage to Louisa Creek, a permanent creek, where you can catch a few yabbies and if you're lucky you might even find a bit of gold!

Accommodation comprises a converted shed which benefits from a functional kitchen and bathroom and is more than comfortable.

Telephone is connected and there is solar power.

Other improvements include a number of sheds, a chook run, water tank and a carport.

A great little weekender!
