

## MUDGEE

4  2  2 

Here's something very special - a new home being constructed in the Burrundulla Residential Estate in the popular east Mudgee area.

Accommodation will comprise 4 spacious bedrooms, each with built in wardrobes and the main with walk in robe and an ensuite.

There will be a separate living area, a patio area and double garage with electronic roller door.

Situated on a 986.6sqm block, this home will have a total floor area including living, garage, and verandahs of approx. 233sqm.

Ducted reverse cycle air conditioning and excellent appointments will also feature.

A delightful property.
