

MUDGEES

Set in a quiet cul-de-sac location this 925sqm allotment offers an opportunity to build a family home on a block with character.

The elevated position will allow you to capture the lovely district outlook and the northerly aspect ensures natural light will be abundant.

Developers should also take note that a dual occupancy development is permissible on this block. All town services are available and the block is ready to build on with the subdivision complete and kerb and guttering in place.

If you are looking for an ideal locale to build your new home be sure to inspect this site.
