

CARCALGONG

A fantastic piece of land to escape to on the weekend or retire at with a variety of open and timbered country set on approximately 90 acres which is fully fenced.

The property comprises a seasonable creek and dam as well as a windmill which has been operated for many years.

A 14-panel solar power system and a phone line are on the property and also good shedding and amazing outlooks.

Other features include a septic system, tanks and an old combustion stove.

There is a catch to this property so be sure to phone and arrange your inspection to see for yourself.

Land Size : 363500 sqm
