

HARGRAVES

What a property to escape to!

Located in a very private spot is this huge 1108 acre (approx) property which is fully fenced on the boundaries and divided into three paddocks.

The property comprises mainly heavy timbered areas and rocky country.

There is a great building sites with views overlooking the property and extending for miles and miles.

Featuring permanent water holes, tracks throughout and even findings of Aboriginal markings, the property is ideal for bush walking, motor bike riding, camping and swimming.

There is also an abundance of wildlife from kangaroos to koalas.

A great property worth inspecting.

Land Size : 4488000 sqm
