

HILL END

4  1 

Surrounded by native bushland in an area steeped in history is this cosy cottage featuring a rustic exterior but including some modern internal comforts.

Lazy days can be enjoyed involving bush walks of the many historical areas and the chance of finding that elusive gold nugget in the adjoining creek bed.

The dwelling has several sheds, water tanks, power and phone and sits on an approximately 5200sqm including 12 hectares (approx) current Crown Permissive Occupancy.

Why not take advantage of a fantastic opportunity of a weekend retreat for away from the hustle and bustle of a busy working week just 3km from the historic village of Hill End.

Land Size : 125300 sqm
