

COOLAH

Situated off the Golden Highway on the edge of the village of Uarbry is this great weekend getaway.

The property comprises a large iron barn with heaps of storage and an old loft as accommodation. Running off this is a set of stock yards in good condition.

The property size is approximately 100 acres and is fully fenced into 2 paddocks. There is a section of open country but it is mostly timbered. There is also a large dam and several water tanks, perfect for weekend living.

Additional to this is another shed used as accommodation and close by is a practical outhouse and tool shed.

This property is very suitable as a weekend getaway to enjoy your space, ride bikes, run a few head of stock or almost anything.

Definitely worth taking a look.
